Dear Dr Soskić,

Re: "Anomalous effective medium approximation breakdown in deeply
subwavelength all-dielectric photonic multilayers" by Andryieuski, Andrei;
Lavrinenko, Andrei; Zhukovsky, Sergei Article reference: NANO-106097

Thank you for your report on this Special Issue Article, which is being
considered by Nanotechnology.

We appreciate the time and effort that you have spent reviewing this
manuscript and we are very grateful for your assistance.

We hope that we will be able to call upon you again to review future
manuscripts.

Yours sincerely
