София,	30.05.2014 г.

Dear Prof. Šoškić,

Faculty for Telecommunications and Electrical Equipment in Transport of "Todor Kableshkov" University of Transport is organizing Second International Conference "Communication, electrical engineering and informatics in transport", which will be held 20-21.June 2014 in hotel "Roman Bath Thermo – Spa" –Banja, Bansko Spa resort in Bulgaria.

I am happy to invite you cordially to participate in the conference as a member of the Programme Committee.

Considering your research in field of potential of GHG reduction, you are kindly asked to deliver a lecture on the topic

"Research of potential of GHG reduction in SEE by intermodal shift"

Looking forward that you will accept the invitation, we remain

Sincerely yours,

In Sofia,
22.5.2014.

Prof. BSc Petar Kolev,
RECTOR
