Invitation letter

Dear Sir!

Appreciating your recent efforts in organization of research and development activities in the field of noise protection, on the behalf of the Program Committee and the Organization Committee of the 23rd National Conference & 4th International Conference "Noise and Vibration", which will be held on 17—19 October 2012 in Niš (Serbia), we are kindly inviting you to deliver an introductory lecture on the state-of-the-art of urban noise protection research in Serbia. The proposed topic of the lecture that reflects interests of both general and expert public in the field is:

"Development of methodologies and means for noise protection of urban areas"

The expected length of the lecture is 20 minutes and the preferred language is English. All the usual multimedia means will be available, and in the case that you need any special presentation means, please let us know in advance, preferably one week before the start of the conference.

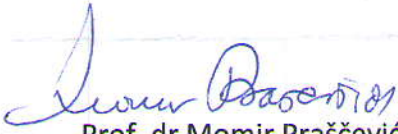

You are kindly asked to provide us your oral or written answer no later than October 1st, 2012.

Hoping that you will accept our invitation, we remain

Sincerely yours,

Prof. dr Dragan Cvetković,

Chairman of the Program Committee

Prof. dr Momir Prašević

Chairman of the Organisation Committee
